Kids for Peace Theme Song
Lyrics & Music by
Thia and Missy Muilenburg

Chorus:
We are the children who will change the world
We will make a difference you will see
We are the Kids for Peace and our dreams will never cease
Together, we’ll make a world of harmony

Verse 1:
We’ll send out our love on the wings of a dove
We’ll sing out our spirit, if you listen you will hear it
We’re spreading our love, joining hands together
and making peace around the world

Chorus:
We are the children who will change the world
We will make a difference you will see
We are the Kids for Peace and our dreams will never cease
Together, we’ll make a world of harmony

Verse 2:
When we do a good deed by helping those in need
When we care for each other, and for the Earth, our mother
We’re spreading our love, joining hands together
and making peace around the world

Chorus:
We are the children who will change the world
We will make a difference you will see
We are the Kids for Peace and our dreams will never cease
Together, we’ll make a world of harmony

Verse 3:
All we need from you is your goodness, strong and true
Teach us how to share and show our love and care
You’ll be spreading our love, joining hands together
and making peace around the world

Chorus:
We are the children who will change the world
We will make a difference you will see
We are the Kids for Peace and our dreams will never cease
Together, we’ll make a world of harmony
