ANNUAL REPORT
Uplifting Our World Through Love And Action
-- During A Global Pandemic --

Lyric & Harper Rivera
MISSION

We empower and mobilize youth to create peace through hands-on service, global friendships and thoughtful acts of kindness.

VISION

Our vision is a safe and peaceful world where all people respect and care for each other and our planet. Kids for Peace serves as a model and inspiration for creating this reality with children leading the way, not only for today, but for generations to come.

PROGRAMS

**The Great Kindness Challenge**
is implemented by schools and families worldwide. This positive and proactive kindness initiative gives students and families the tools to foster a culture of compassion, acceptance, unity, and respect in their homes, schools, communities and the world.

**The Peace Pledge Program**
is implemented by our chapters around the world. Kids meet regularly to put the words of our Peace Pledge into action in ways that are culturally relevant and personally meaningful.
The COVID-19 pandemic has had a deep impact on children, families, communities, and societies the world over. Our children’s social and emotional well-being has been significantly impacted with research demonstrating that COVID-19 is affecting the mental health of our children, causing increased depression and anxiety. Because of social isolation, limited physical activities, economic hardships, life-threatening illnesses, and uncertainty of the future, our children – and adults – are struggling mightily.

We launched a new program, Kind, Creative & Connected in the Age of COVID-19, to provide healing and hope during this extraordinary time. Using a holistic approach, this program – implemented virtually or in-person – provides opportunities for youth to connect with others, stay positive, get physically active, be of service and create joy. Our curated hands-on projects and resources from our Kind, Creative & Connected program help our communities persevere and prevail!

GKC-School Edition 2020 Impact
In response to COVID-19, the stay at home orders and virtual learning, we curated projects and resources to uplift and connect our students, families & communities. Here is a snapshot of our most impactful projects.

**Peaceful Pen Pals Project**

3,166 youth from all 50 states and 36 countries have been participating in this good, old-fashioned letter exchange. We are celebrating the vast friendships and the joy this project has brought to our youth especially during the challenging time of the COVID-19 pandemic.

"I just wanted to share some feedback on my daughter’s pen pal, Maci. This has been such a wonderful, fulfilling experience for everyone! Karma looks forward to receiving letters (almost) as much as Christmas! Her pen pal has been very responsive and it really seems like they are forming a bonded relationship. Thank you for everything you do and for everything you have done for us." Gary, Greeley, CO
Our caring families and youth from all across the country have showered our beloved Grandfriends with over **1,897 Loving Letters**! We are touched by the enthusiastic participation and know that every single Loving Letter made our senior friends feel less lonely and brought much needed joy.

“I just wanted to say thank you! My dad called me tonight in one of the best moods he has been in for a while. He received his first letter from a 9 year old girl named Arielle and he was so thrilled! He is going to write her back and he even asked me to go on a walk with him this week.

Anyway - thank you to you and everyone who made this possible!! The whole thing truly warms my heart.” J. Morgan
KIND CREATIVE & CONNECTED IN THE AGE OF COVID-19

**Happy Heart Hunt**

Our Happy Heart Hunt campaign - with the help of a teacher who created a dedicated Happy Heart Hunt Facebook page - went viral with over 250,000+ homes joining in!
As in-person summer camps were cancelled and summer plans for many were suddenly up in the air, we launched a fun and interactive virtual summer camp to keep the youth connected and engaged. Over the course of two months, 123 youth from all across the US and Peru participated in two-week sessions of peacebuilding, game-playing and friendship-making!

“I was nervous about how I was going to occupy my kids all summer while staying home and keeping them safe because of Covid-19. Camp Kids for Peace not only solved this problem, it has brought out the best in my sons. I am truly thankful.” Parent of camp participant

“It is so cool getting to meet kids from all over the world. I have lots of new friends and I didn’t even have to get on an airplane!” Camp participant
With continued COVID-19 restrictions, we launched a virtual afterschool club that was developed based on the success of Camp Kids for Peace. Over the course of 6 months, 50 youth participated in weekly peacebuilding meetings. They put our Peace Pledge into action by engaging in safe, thoughtful activities and developed their own meaningful service projects.

“I really liked how we could all bond and everyone is really understanding! I really liked all the activities we did. They were very creative and I felt like I was making a difference. It’s a great place to build self-esteem.” Club participant
The Great Toy Giveaway, a peer-to-peer toy giving program, launched in 2019 with a great success. In 2020, despite the COVID-19 challenges and thanks to the generosity of The Toy Foundation, we were able to support hundreds of families with a gift of new toys. Thousands of students from across the country participated by creating handmade notes to accompany the toys, adding an extra infusion of love!

With 3 Great Toy Giveaway events in California, Kansas and New Jersey, thousands of beautiful toys brought smiles and joy to kids during this difficult time. Although smiles were covered by facemasks, the joy was undeniable!

LOVE-A-THON

We hosted our first ever virtual FUNdraiser and couldn’t be more thrilled with how it turned out! We raised nearly $24K, made thousands of Love Links and celebrated LOVE in its purest and most powerful form! The exquisite musical performances by Shivanii Ray, We the Commas and Allegra Miles paired with the words of love and support from young celebrities and Kids for Peace superstars filled our hearts with love, hope and positivity. The raw, vulnerable and passionate words from Giancarlo Esposito had many of us crying tears of joy! We invite you to check it out: Love-A-Thon!
