Partnership Opportunities
In light of the surging crises around the world - wars, conflicts, aftershocks of the pandemic, school shootings, growing inequalities, food insecurity, environmental crisis and economic uncertainties - the rates of anxiety and depression are rising and our youth & communities are suffering. Through our annual, large-scale, structured & immersive week of kindness, we improve students’ social and emotional well-being and bring much needed healing, hope and happiness.
Our Approach & Success

The Media Loves Kids & Kindness!

Year after year, The Great Kindness Challenge enjoys robust media attention. From local news to national networks, magazines to newspapers, the media loves to showcase the power of kindness in action.
Who Are We?

We are a global youth empowerment organization.

Founded in 2006, we are a 501(c)3 nonprofit organization that is building a worldwide community of kind, compassionate and empowered young people.

We are the pioneer of kindness education in schools.

We introduced the very first structured kindness program to schools. In 2011, with bullying on the rise, we recognized a need to create safer and kinder schools. With students’ input, the innovative idea of a challenge emerged, providing every single student an opportunity to co-create a culture of kindness at their school.

We have the credibility and trust of the education industry.

Through our steadfast commitment, contagious enthusiasm and consistency in providing valued resources, we have become a trusted source for educators worldwide.

Recognizing the importance and power of our program, The California Department of Education has officially endorsed The Great Kindness Challenge and has actively promoted it for the past five years.

We ignited a kindness movement that’s 18 million students & 73,000 adult volunteers strong.

Real change happens in movements. Our goal is to transform the world through kindness by bringing The Great Kindness Challenge to all 120K US schools and every country around the globe.

Partnership Examples

CORPORATE SUPPORT
Dignity Health’s motto is “Human Kindness Heals”. As a multi-year strategic partner and the presenting sponsor of the GKC, they provided financial support in exchange for unprecedented brand exposure, employee engagement and additional co-branded projects, showcasing to their stakeholders their commitment to fulfilling their mission. A true win-win!

CORPORATE MATCH
In 2018, more than 80,000 students raised funds to build playgrounds in hurricane affected communities. Hasbro, through its BE FEARLESS BE KIND philanthropic initiative, matched $100,000 of the funds raised to ensure all playgrounds could become a reality. That’s the way to walk the talk and affiliate your brand with pure grassroots goodness!

GIFTS IN KIND
KIND Snacks provided a KIND bar for every student who participated in our campaign to set a Guinness World Record for the most Kind-Hearted Handprints. We succeeded and 180,000+ students enjoyed the yummy KIND bars. What a great way to award kindness and create a kinder healthier world!

JOINT PROGRAMMING
Together with the Toy Foundation, we launched a peer-to-peer giving program, The Great Toy Giveaway. Nearly 14k donated toys were lovingly distributed to kids in need at children’s hospitals, homeless shelters, military bases, foster care facilities and more. That’s how you play it forward!

With hands-on volunteer projects, employee fundraising, co-hosted events and even a customized company-wide kindness challenge, ViaSat has been our esteemed partner for the last 7 years - truly being part of the community and connecting their employees to the causes they care about.

**COMMUNITY OUTREACH**

Caring for students’ social and emotional well-being, McGraw Hill Education has tapped into their community of educators to promote the GKC. They have co-hosted webinars, created videos, written articles and organized twitter chats - clearly demonstrating their commitment to the whole child.

**CAUSE MARKETING**

With a perfectly aligned message, we promoted the delightful “What Does It Mean To Be Kind” book. In exchange, Little Pickle Press donated a percentage of sales. Additionally, all GKC program participants received a free e-book! We love facilitating a targeted promotion that benefits our audience and makes our world a better place!

**MEDIA SUPPORT**

Southard Communications, our PR partner, has helped amplify our impact by executing a successful media plan. When they secured an extraordinary week-long coverage on Good Morning America, we knew we were in the best hands. With their pro-bono work and big hearts, media miracles happen!
2022 - 2023 Theme: Grow Kindness

Given the times we are in, we see the 2023 Great Kindness Challenge as an opportunity to come together, care for each other and grow some much needed kindness! We will focus on creating more joy and inspiring more smiles. Let’s remind the whole world that kindness truly does matter!

The Great Kindness Challenge - NEW Year-Round Kindness Lessons

Following the success of the GKC - Virtual Classroom Edition, we are excited to expand the GKC resources to include 50 new SEL-focused kindness lessons. These lessons will address our youths’ well-being and provide ongoing social and emotional support. Educators will be able to incorporate these kindness lessons into their classroom curriculum, significantly expanding our impact beyond the official GKC celebration week!

Students’ Social & Emotional Well-Being

Last year, 89% of our surveyed educators requested additional tools to support the social and emotional well-being of their students. In response, we expanded our programing and launched 13 new youth-centered projects. We will continue to provide meaningful resources and uplifting opportunities to help students heal and stay healthy - both socially and emotionally - as they re-integrate into their schools and communities.
