OUR PROGRAMS

THE GREAT KINDNESS CHALLENGE is implemented by schools and families worldwide. This positive and proactive kindness initiative gives students and families the tools to foster a culture of compassion, acceptance, unity, and respect in their homes, schools, communities and the world.

THE PEACE PLEDGE PROGRAM is implemented by our chapters around the world. Kids meet regularly to put the words of our Peace Pledge into action in ways that are culturally relevant and personally meaningful.

GLOBAL FRIENDS

In an effort to create a more peaceful world, we encourage our youth to connect with children in countries outside of their own. We do this through various projects including Kind Coins campaigns, You Are Loved Backpacks, and responses to humanitarian crises.

CARE FOR OUR EARTH

Our planet is in need of love and care now more than ever before. In this program, our youth work together to address their region's most pressing environmental issues. From idle-free campaigns on school campuses to composting and community cleanups, our youth lead the way to a cleaner, greener future.

COMMUNITY BUILDERS

If the global pandemic taught us anything, it is that we need each other. Through this program, we connect with our community to enrich the relationship between our youth and the people around them. We've done this through projects like The Grandfriends Kindness Project and the Kindness Unites Paperchain.

OUR CHAPTERS & PEACE PLEDGE IN ACTION

CHMS & Hope Kids for Peace, Carlsbad, California

This compassionate group put the Peace Pledge into action by using their words to speak in a kind way, helping others as they go throughout their day and joining together to unite the big and small. Through the incredible organization, The Comfort Cub, they helped package weighted teddy bears that were sent to grieving families in Uvalde, TX. They also helped write special notes of love and support that were carefully tied around each bear's neck.

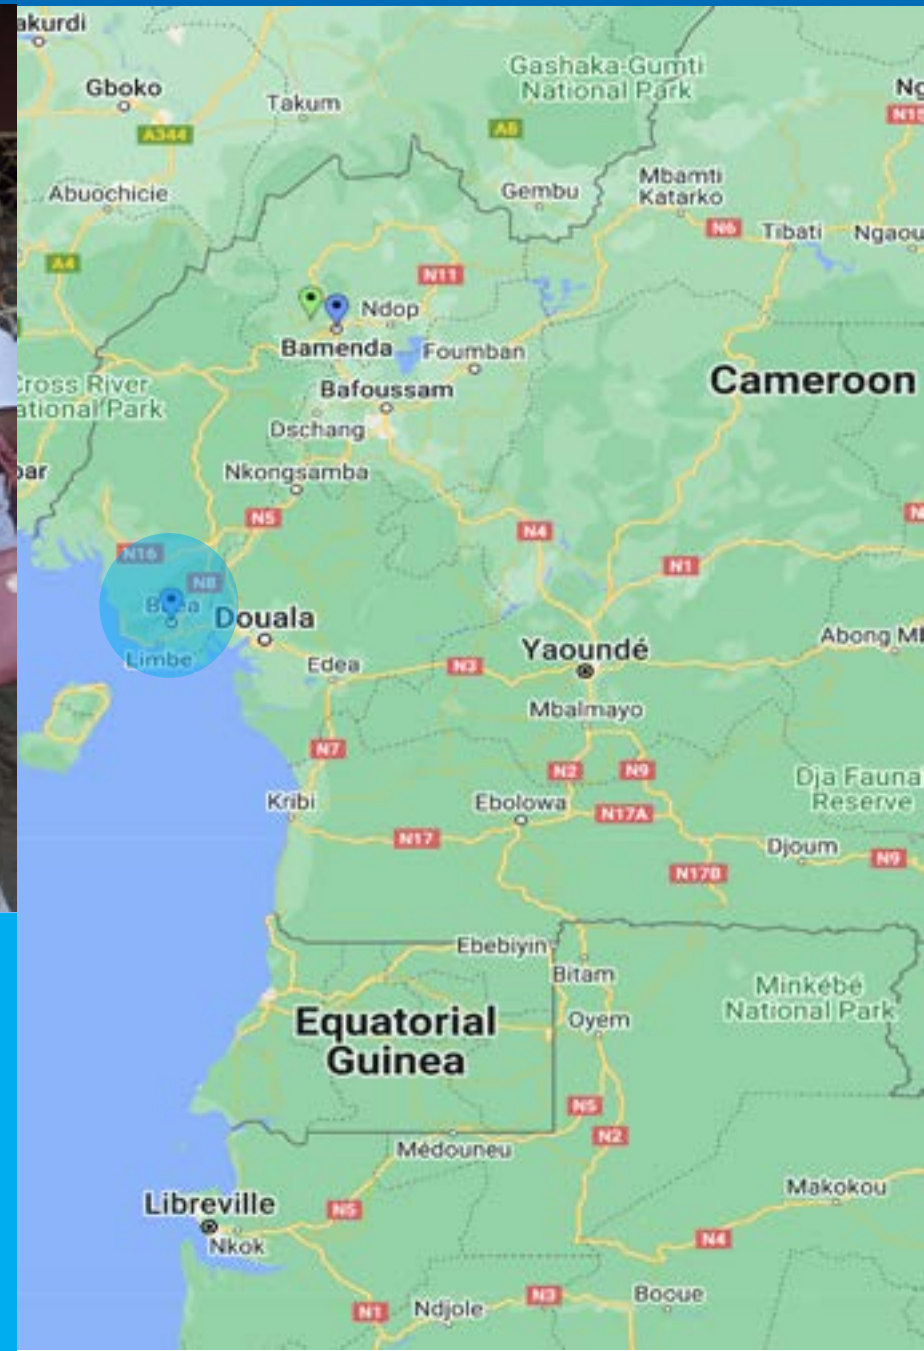

OUR CHAPTERS & PEACE PLEDGE IN ACTION

Social Rescue Kids for Peace, Buea, Cameroon

These kind and compassionate kids put the Peace Pledge into action by using their words to speak in a kind way, helping others as they go throughout their day and joining together as they unite the big and small. In partnership with their NGO, RUDEC, they organized a fundraiser for St. Glory's Orphanage so that they can provide food and basic hygiene kits for the children. They visited the children at the orphanage and shared the Peace Pledge with them.

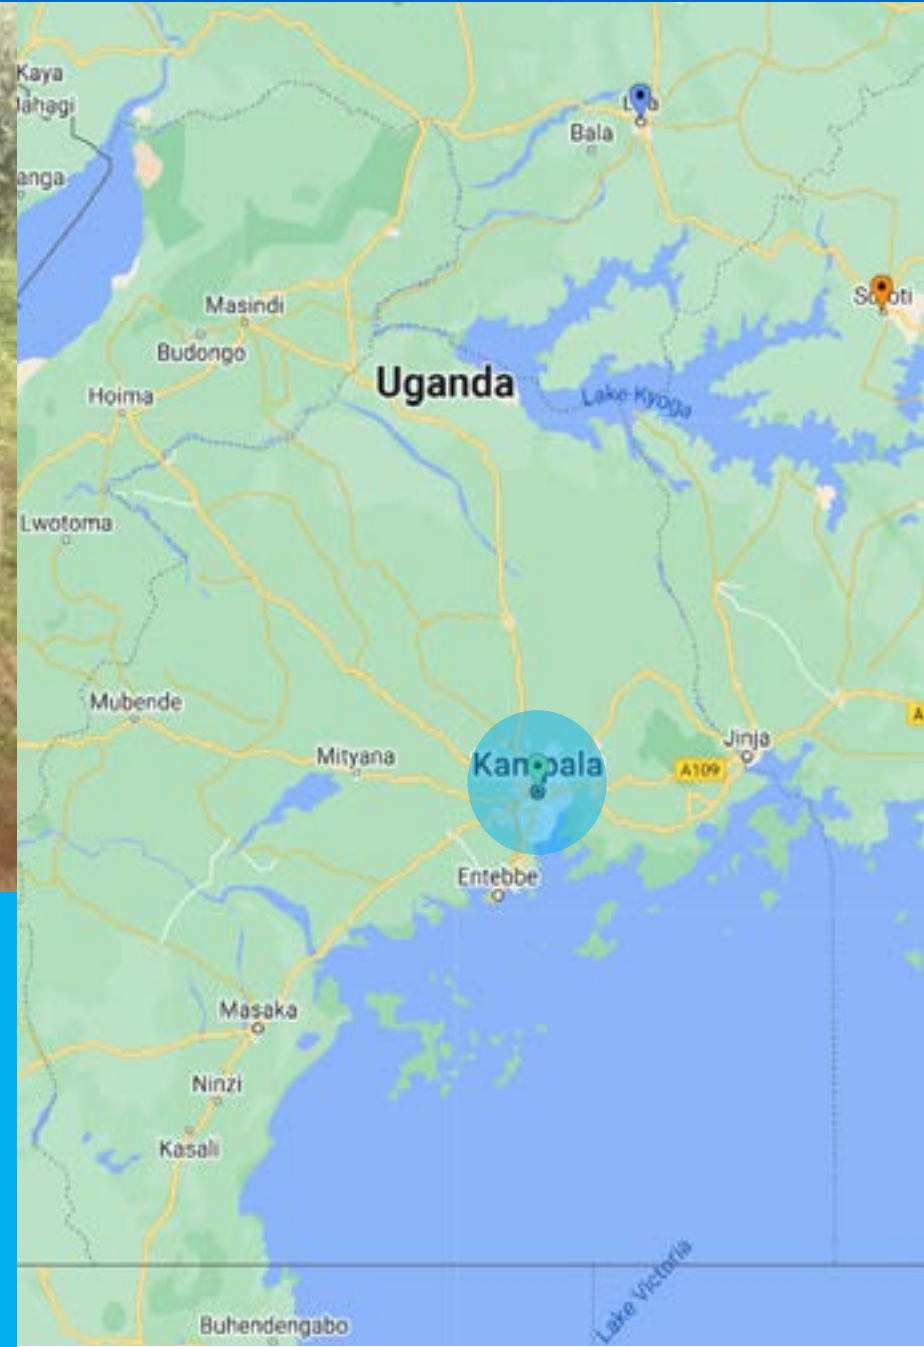

OUR CHAPTERS & PEACE PLEDGE IN ACTION

Community Child and Youth Care Network Kids for Peace, Kampala, Uganda

These resourceful kids put the Peace Pledge into action by caring for our Earth with their healing hearts and hands and by doing their part to create peace for one and all. They made their own footballs so they could play games, worked in their garden and then gathered together for a school assembly.

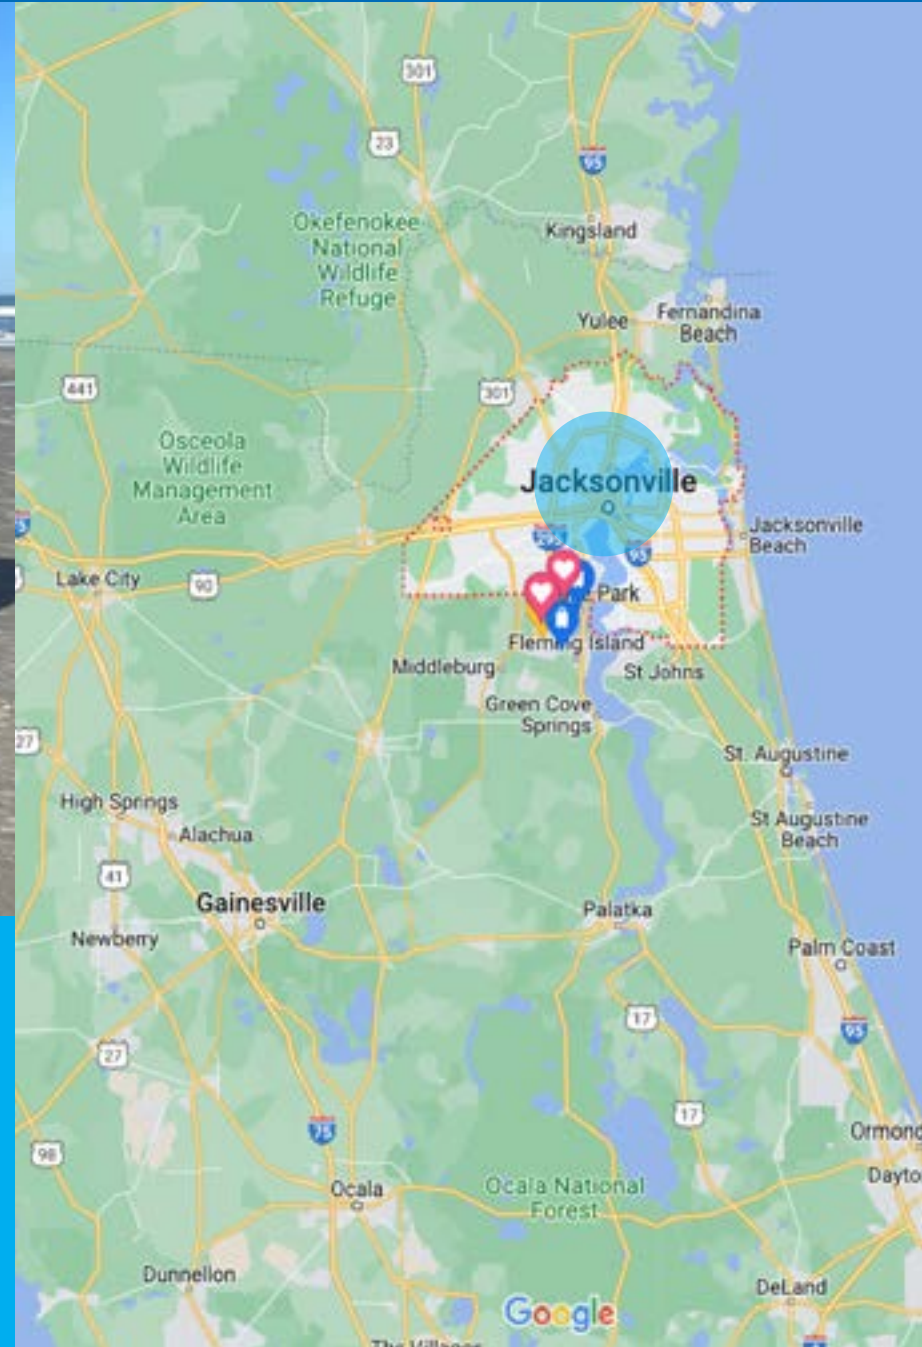

OUR CHAPTERS & PEACE PLEDGE IN ACTION

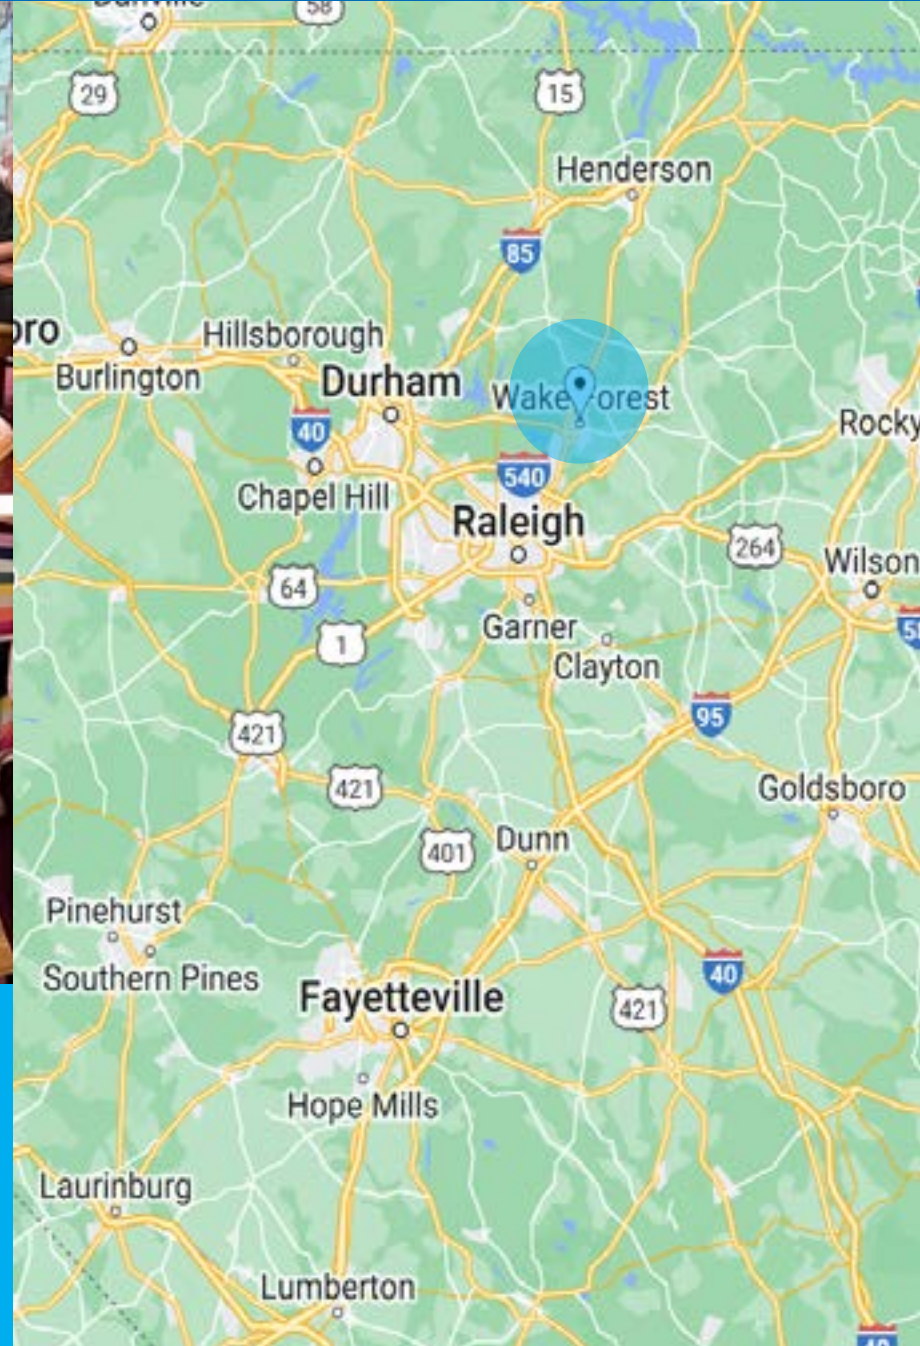

Jax Beaches Kids for Peace in Jacksonville Beach, Florida, USA

These centered souls put the Peace Pledge into action by respecting people in each and every land and by doing their part to create peace for one and all. They led a peace meditation, talked about what peace means to them and collected much needed items for those struggling amidst the crisis in Ukraine.

OUR CHAPTERS & PEACE PLEDGE IN ACTION

Dandelion Collaborative Kids for Peace, Wake Forrest, NC, USA

These notably nurturing youth put the Peace Pledge into action by caring for our Earth with their healing hearts and hands and by joining together to unite the big and small! They brought flower seedlings, silly face grass cups, kind company and sweet smiles to the seniors at The Lodge at Wake Forest.

OUR CHAPTERS & PEACE PLEDGE IN ACTION

Iraq Kids for Peace in Erbil, Iraq

These talented kids put the Peace Pledge into action by doing their part to create peace for one and all. They hosted an art exhibition with pieces that illustrate their love for school, friends and nature as well as the need to protect our Earth.

PEACEFUL PEN PALS PROJECT

The Peaceful Pen Pals Project was launched during COVID-19 to give children an opportunity to feel connected to one another, especially during a time of isolation and insecurity. The Peaceful Pen Pals Project has been in high demand ever since and it looks like it is here to stay!

15,482 youth from all 50 states and 75 countries have been participating in this good, old-fashioned letter exchange. We are celebrating the vast friendships and the joy this project has brought to our youth.

I love it when we're sorting through the mail and there is a new letter from my penpal. It's really fun sending letters by mail and not always communicating online. I'm so happy I joined this penpal program.

KIND COINS FOR PERU CAMPAIGN

The 2022 Kind Coins for Peru Campaign, a unifying service project, to bring laptops to 136 students of the San Martín de Porres school in the village of El Guayabo was a big success! Thanks to your help, 136 students and 6 teachers are now able to resume schooling and have access to additional educational resources.

Your support has forever changed the lives of El Guayabo students!

[WATCH VIDEO](#)

Claudia made a wish to get laptops for children in a neighboring Peruvian town. The children of El Guyabo were not able to attend online school during the pandemic because they did not have the technology. Claudia wanted to do something about this, so she enlisted the help of kids around the world.

Students participating in The Great Kindness Challenge heard her wish, collected money (\$38,734.10!), and made the wish come true! This uplifting video shares the joy of the 136 students who received those laptops.

LOVE FOR UKRAINE

As the devastating news of the Russian invasion on Ukraine broke, our youth and communities rallied to help. Thanks to the outpouring of support, we exceeded our fundraising goals 4 times and raised \$52,653.25 to directly help over 1,873 Ukrainian refugees. Below, please see pictures from 5 touching distribution events with the Ukrainian families.

[WATCH VIDEO](#)

We hosted 5 Love for Ukraine events in various Ukrainian refugee communities in Poland during which we showcased the [Love for Ukraine Video](#) compiled of 97 heart-felt videos with messages of love and support from students and families from 23 states and 4 countries.

[LEARN MORE ABOUT THE 5 LOVE FOR UKRAINE EVENTS & SEE MORE PHOTOS](#)

With the help of numerous Polish volunteers as well as hundreds of Polish students who were engaged to create the heart notes and decorate the envelopes, the Ukrainian mothers and children who received the cash donations were deeply touched by the tremendous amount of love, care and support.
